Please see Regence Medical Policy <i>Assays of Genetic Expression in Tumor Tissue as a Technique to Determine Prognosis In Patients With Breast Cancer</i> , at http://blue.regence.com/trgmedpol/lab/lab42.html for details.
I certify that my patient will benefit from a personalized genomic analysis of her tumor. I have discussed with the patient the potential results for the test and agree that the results once received will be used to guide therapy. A treatment decision regarding the use of adjuvant chemotherapy has not been determined at this time.
